slices of **SUN VALLEY**

From mining heritage to skiing lore, the Sun Valley area is famous for its history, and as one of the oldest on-mountain ski lodges can now attest to, it's not just the winter that holds the keys to our heritage. So take the new gondola up to the Roundhouse this summer and get a bird's eye view of our 10 top spots for parlaying with the past. For more ideas for Sun Valley summer fun see page 47.
